

## Canberra Excursion: Save the Date!

9 February, 2023

**Monday 22<sup>nd</sup> to Wednesday 24<sup>th</sup> May, 2023**

In Term 2, Year 6 will be visiting Canberra to support teaching and learning about Australian Democracy. Children going along on the Canberra trip will engage with interactive displays, hands-on activities and role plays.

By visiting Canberra, students develop a deeper understanding of: how we are governed, how laws are made, electoral processes and rights and Australian identity.

We had such wonderful experiences and feedback last year and the excursion will coincide with our History Unit this Semester.

We are in the process of finalising the excursion costs and ask that you return the Expression of Interest form below so we can book the accommodation spaces. To give you a general idea, last year the trip to Canberra was \$350.00 and we expect it to be around the same figure this year. As always, a payment plan schedule will be provided.

Warm Regards,

Lisa Walker

Assistant Principal Stage 3

Dr Abigail Sawyer

Proud Principal
