Bushfire Emergency
Contacts Forms are

NOW OVERDUE

And we are still looking for some
forms (except for 1A and 4W,
they're all in!)

If you have not yet returned your
form (one per family), please do
that ASAP.

Cruise into Kindy VISIT 3

Wednesday 6 November 9.30-11.00am

Stage 1 Gymnastics: Friday 1st November

**Last day to lodge a teacher/class preference for 2020:
Monday 11th November**

P&C Fundraiser: COLOUR RUN 22nd November

Greetings from the big smoke! I am in Sydney for several days of professional learning. During 2020, Tanilba Bay has invested significant resources in teacher professional learning and we are confident all students will benefit for years to come.

Class Teacher Allocations for 2020

This afternoon, Mr Harris will post our 2020 class allocations to our school website. To learn which teachers have been posted to various classes, go to the "Our Staff" page. Once you see the allocations, consider whether or not you would like to express a preference for class placement for 2020. Preferences should outline why being with a particular teacher would benefit your child's learning or wellbeing. You can also express a preference about students that you would like your child to be with/not with, provided your reasons relate to your child's learning or wellbeing.

To be considered during class planning, preferences must be lodged by Monday November 11th.

NEXT WEEK'S PBL MESSAGE:

Hands and feet to yourself

Education
Public Schools

Building Works Update

On Tuesday, the new toilets near the hall will be opened for use (How exciting!) A number of students have already come to me to tell me how nice they look. Work will now start on the toilets in B Block and the admin wing. It might be a bit busy and noisy at the front of the school for the next little while, but the result will be worth it!!

World Teachers Day

Last Friday was World Teachers Day and we thank all the teachers who have made a difference, but in particular the Teachers of Tanilba Bay PS. They are simply The Best! Their hard work and dedication to learning is witnessed every day in the classroom. The time they spend planning quality lessons and activities, sports training, excursions camps, willingly giving up their time over and over again.

PBL: Leave wildlife alone

This week's PBL message is Leave Wildlife Alone. With Spring well and truly upon us, we will soon see our fabulous wildlife even more prominent around the school. Look, but don't touch!

2020 School Planning

As you know, we are welcoming a bumper crop of Kinder students next year (more than 70!) It is so great that we know this, as staffing in NSW public schools depends on enrolments – and the clearer we can be about numbers for next year, the more firm our staffing plans can be. If you know someone coming to TBPS next year who hasn't enrolled yet, please ask them to get themselves to the office pronto. If you are leaving us next year, and not yet advised the school, please let the office staff know as well.
