LOCAL LEGENDS

Wow! Market Day was amazing! Stage Three put together a really impressive event – all children who participated looked like they were having a wonderful time. The card system trialled this year seemed to work very well for the most part. Like all new ideas, though, there were a few problems on the day. The idea of the card was to help us address a couple of problems – there was no lost money this year and as cards were all named and numbered, any children who lost their cards were able to be quickly reunited with them. Security issues associated with handling cash were reduced and an enormous amount of fun was had.

Market Day raises funds so that our Year 6 graduating class can enjoy a night of celebration at low or no cost. **We've done the numbers and the amount raised this year is an AMAZING \$2543**, thanks to the generosity of Stage 3 parents who donate all of the ingredients/raw materials for each stall, and all parents who bought their child an activity card. While the children didn't practise the skill of giving change, as they have in past years, there was still plenty of Maths involved. Thank you to everyone who contributed to a real community event, you are all legends!

And while we're on the subject of community generosity

One of our Stage 3 electives, our Land Care group, set off on a special excursion today to view the Cookabarra Barramundi Farm and Irukandji Shark and Ray Centre. This trip was made possible by the generous donation of a mini-coach, complete with bus driver, by our good friends at the Tilligerry RSL Club. It was led by Mrs Fran Corner, who along with Mrs Anne Burr has given the children three terms of great Land Care opportunities. Great teamwork. We heard that the children didn't have the opportunity to experience the tour at Cookabarra, so we're working with the Farm to bring the group back another day.

Celebrating LAWSON

Another LOCAL LEGEND we're celebrating today is Lawson Billett, whose poem on the joys of growing up at Tanilba Bay was published to great acclaim on the Tilligerry News and Views page on Facebook. It was so good, we couldn't resist giving it a run here too. Well done, Lawson! I know Mum and Dad are VERY proud of you and we are too!

Performance Night 2019

While this week's newsletter goes home via our digital platforms (website and Skoolbag), we are sending home a one page note as well. This note is a date claimer for this year's Performance Night and provides some 'teaser' information about how this year's format will look.

At Student Parliament, P&C meetings and teachers' regular communications meetings, a lot of feedback has been shared about past Performance Nights. Everyone agreed that they were absolutely spectacular and a credit to the school. However, a number of concerns were also raised, including:

- High cost of tickets sometimes causes families hardship
- Stress of mounting a very professional production meant large amounts of class time were spent rehearsing
- Cost of costuming, props etc was very high
- The night was long, with the families of younger children often leaving early.

After listening to what the children wanted, our teachers worked to put together an alternative proposal, which was accepted by the P&C. This year, we are holding a family-friendly event under the stars. The venue is Oval 1 and all families are invited to attend free of charge. You can bring a picnic or buy food from the vans/stalls the P&C is organising. We hope to have a few rides/games for children when they are not performing and there will be a gallery of works created during Stage 3 electives.

Our very skilful Music Teacher, Miss Alycia Baker, has already started working with teachers and students to plan and rehearse items. Stage 3 children will choose either to perform on stage or present artworks in the gallery (some may do both). Performance groups like Star Struck will do their thing.

Our hope is that this night is a relaxed celebration of our year as a learning community and look forward to sharing it with you in December. More information will be sent out next term but, for now, put the date aside so you don't miss something very special.

Abigail Sawyer, *Proud Principal*

Selective Schools 2021

This week, Year 5 Parents will receive a 2020 Intention to Apply for Selective School Placement in Year 7 2021 form. Applications for Year 7 entry to selective high schools in 2021 must be made online between 8 October 2019 and 11 November 2019. Late applications are unable to be accepted. Parents must apply online at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

Mr Tim Harris, *Deputy Principal*

Stage 2 News

We have been learning so much information about the plight of the orangutans in Borneo Indonesia. We have also learnt a great deal about their habitat, their behaviours and their threats to survival. The text we have been reading is by two inspirational authors, Daniel and William Clarke who have done a great deal to raise funds to help these amazing creatures – they even had a meeting with the then Prime Minister John Howard! We are looking forward to continuing our work next term where we will be looking at palm oil plantations and products.

Our marble run activity is finished! We created, problem solved and worked hard to have our marble complete the circuit without our intervention. We used materials for friction and some of us also experimented with the idea of wind power. Such a great activity!

Have a great holiday, keep safe and we are looking forward to more fun, active learning next Term.

Lisa Walker, *Assistant Principal*

TELL THEM FROM ME!

Team Tanilba, you are AWESOME!! This year's response rate for our *Tell Them From Me* survey has been phenomenal! On the basis of survey feedback received last year, we overhauled our PBL program and made lots of other changes designed to improve student behaviour and learning. It's important that we hear from as many parents as possible, so that the decisions we make are informed by the views of many, not just a few....so if you haven't filled in your survey yet, get busy! Your views are important to us.

The survey is anonymous and will take approximately 20 minutes to complete. You are able to access the parent survey on your computer or mobile device by using the URL below:

Can you believe there's only one week until school holidays?

Starting next Monday, we're taking the children on a journey of exciting adventures, self-discovery and creative expression. Hurry in and join us at

Superhero School Holidays!

Our program is filled with heaps of considered activities to keep the children busy from arrival until it's time to go home. They could be creating superhero costumes, completing their first rescue mission, writing comic books, going to the movies and so much more. Have a chat with our friendly Coordinator to find out more about the upcoming Holiday Club program at your school.

Book now. To find out when these activities are on during the school holidays and join in the fun, visit: www.campaustalia.com.au/holidayclubs.

Plus, every attended booking gets an entry into our competition. Your family could be on your way to the theme parks in the Gold Coast. See our website for more info.

We look forward to seeing you at **Superhero School Holidays**.
