

Creating the difference

Tanilba Bay

PUBLIC SCHOOL

BOB STILL AT IT...

Great job Team Tanilba! After asking for advice and feedback from parents about our new gate procedures, several parents came up with brilliant ideas. I also met this morning with some parents with expertise in traffic management. **We've made a few changes**, so here's how it will go next Tuesday. We'll give it a week or two before making further changes if needed, and we all hope that distancing isn't required for too much longer. In the meantime....*Keep that feedback coming!*

GATE PROCEDURES FROM TUESDAY

STAGGERED HOME TIMES for those collected at the gates

- 2.45 All Kinder and Year 1 students PLUS their siblings
3.05 All other students (ie: those without a sibling in Kinder or Year 1) PLUS all those who go to OOSH or walk/ride/scoot/bus home

****Teachers supervise students until 3.05 if parents are unable to collect students early**

THE FRONT GATE

- Two front gates open: One ENTRY and one EXIT – ONE WAY TRAFFIC
- Sanitiser at the ENTRY gate
- Gates will remain closed until 2.45pm, when a teacher will open them
- **Kinders and Year 1s (and their older siblings) will be released from class early, move to the gate and sit in class groups**
- **Siblings of Kinder and Year 1 students also released early and are to go sit with their Kinder/Year 1 sibling at the gate**
- If you have a Kinder or Year 1 child, come to school at 2.45pm, enter via the ENTRY gate, sanitise, then collect your child/children. Exit via the EXIT gate only please.

THE BACK GATE

- Gates will now open at 2.45, with Kinder and Year 1 students who use the back gate escorted to the gate and their siblings told to go meet them
- One ENTRY (Small gate) and one EXIT (Double gate) – ONE WAY TRAFFIC
- Sanitiser at the ENTRY gate
- Come to school at your designated time and remain distanced while waiting
- If waiting in your car, make sure your child knows to go look for you and tells the teacher.

In Wet Weather, children will be taken to the old COLA, where parents can collect at their designated time. In Wet Weather, enter via the ENTRY gate, then exit out the double car park gate.

There will be a lot going on...Please avoid calling the office to collect children before their designated time if at all possible. Instead, please sit in your car or distance outside the gate until your child's designated home time. Thank you so much!
